Subject: Berlin Cross Keys Road Construction

A lengthy portion of Berlin-Cross Keys Road will close for nearly a month as the road-widening project continues. From Nov. 27 to Dec. 21, the roadway will be closed between the Camden County Technical School's Gloucester Township campus (343 Berlin-Cross Keys Rd.) and Turnersville Road.

Detours will be available on Kearsley and Turnersville roads in both directions.

Please see map of detour plan below:

NOTE: This traffic pattern may cause delays which may impact student and staff arrival and dismissal. Please plan accordingly.

Please be advised the above is subject to change as a result of weather and other construction issues. As changes occur, every effort will be made to send out an update.
